

AGROLINAMAR S.L.

**CARRETERA DE GRANADA-ALMERIA; N-340
EL LANCE, RUBITE, GRANADA, ESPAÑA**

ACTIVITY REPORT

AUGUST 2013

We are a Young company, it is located in the south of Spain, exclusively devoted to growing and processing the best vegetables, We take advantage of the extensive experience and commitment with excellence that the professionals who work with us have acquired over time.

Our production area is over 100 hectares. In our up-to-date 1.200 squared metres facilities, we receive, store and process our fresh vegetables, which are harvested every day. Producing over 8.000 tonnes, we can readily serve many customers in Spain and abroad. We are growers and our main goal is to produce top-quality vegetables that will meet & exceed the needs of our customers. . We like the things well done, so we pay attention to people and the way they work.
