

In addition to our premium coffee, we also have our own premium tea brand with a nod to our Andalusian heritage: 'Tea Quiero' ([www.teaquierno.es](http://www.teaquierno.es)). Te Quiero = I love you.

At Tea Quiero, we stand for high quality, perfectly blended subtle tastes and aromas. Our tea is perfectly packed in organic biodegradable bags that are flavourless and have zero effect on the environment – and our packaging is fully recyclable too.

Our carefully selected hand crafted range of 8 flavours have been specially blended by industry leading tea experts to ensure that the subtle flavours and refreshing aromas are consistently delivered every time, so that our customers are guaranteed a quality tea experience in every cup.

Tea Quiero believe that the very best tea comes from the most sustainable estates. That's why our tea not only tastes superb but also complies with all fairtrade standards.

- Rolled, top quality and organic fairtrade tea
- Biodegradable teabag that releases all flavours and aromas
- Bamboo serving tray, glassware and presentation display
- Exquisite packaging with 12 servings which makes every cup a gift
- A selection of wonderful and surprising flavours

### Malaga Red Fruits

As the early morning sun glistens on the dew soaked leaves of the Harrington estate in Sri Lanka, the skilled leaf pluckers of the Dimbula region select the best tea leaves - by hand - and at an altitude of up to 5,000ft. From the very first sip of Tea Quiero's fairtrade organic Malaga Red Fruits tea blend, you'll discover a well balanced and deeply refreshing black tea, flavoured with delicate pieces of blackberry, raspberry and blueberries.

### Ronda Rooibos

Rooibos is grown in the beautiful and mountainous Cederberg region in the Western Cape province of South Africa. 18 months after the plantations have been established, the rooibos plant is finally ready to reveal its wonderful flavours. Tea Quiero's fairtrade organic Ronda Rooibos tea blend is subtly flavoured with orange and vanilla to give it that unique taste sensation that lifts your spirits.

### Granada Ginger

This high quality green tea has been grown and harvested in the central Province in Sri Lanka on the Thotulagalla estate. The most delicate leaves are carefully selected by hand at an altitude of 1,470 meters. To add to the wonderful flavour, Tea Quiero's fairtrade organic Granada Ginger tea is subtly flavoured with warming ginger and lemon grass.

### Sevilla Citrus

This high quality green tea has been grown and harvested in the central Province in Sri Lanka on the Thotulagalla estate. The most delicate leaves are carefully selected by hand in the spring months of April and May at an altitude of 1,470 meters. Tea Quiero's fairtrade organic Sevilla Citrus tea blend is a light, refreshing and clean tasting tea that is subtly infused with lemon peel and further enhanced with natural lemon flavours.

### Cádiz Earl Grey

As the early morning sun glistens on the dew soaked leaves of the Harrington estate in Sri Lanka, the skilled leaf pluckers of the Dimbula region select the best tea leaves - by hand - and at an altitude of up to 5,000ft. Earl Grey tea is a traditional tea that was created in 1806 for General Charles Grey. Tea Quiero's fairtrade organic high quality Cádiz Earl Grey tea blend delivers the perfect fresh taste you would expect. We think General Grey would most certainly approve.

### Jaén Jasmin

This high quality green tea has been grown and harvested in the central Province in Sri Lanka on the Thotulagalla estate. The most delicate leaves are carefully selected by hand in the spring months of April and May at an altitude of 1,470 meters. The jasmine flower comes from a sweet smelling plant that is renowned for its ornamental beauty and distinctive fragrance. Tea Quiero's Jaén Jasmin tea blend delivers the perfect aroma and fresh taste you would expect from our fairtrade organic tea.

### Cordoba Camomile

Carefully selected dried camomile flowers are used to make this wonderful Fairtrade organic tea. Camomile has long been known to have a relaxing effect and have many health benefits. A study published in 2001 found that drinking camomile tea was more relaxing than hot water, measured by observing heart rate, skin temperature, and other physiological indicators of relaxation. So sit back, relax and let Tea Quiero's Cordoba Camomile de-stress you

### Almeria Breakfast

As the early morning sun glistens on the dew soaked leaves of the Harrington estate in Sri Lanka, the skilled leaf pluckers of the Dimbula region select the best tea leaves - by hand - and at an altitude of up to 5,000ft. They carefully pick the youngest, most delicate top two leaves and the bud from the tea plant. That's why our Almeria Breakfast tea blend delivers the perfect fresh taste you would expect from Tea Quiero, because they love what they do as much as you love drinking our fairtrade organic tea.
