ECOLOGIC EXTRA VIRGIN OLIVE OIL

Organic  
900  
novecientos

**Extra virgin olive oil from organically grown olive trees.**

**900 ORGANIC** is a top-quality olive oil that respects the environment and biological cycles of the agricultural system through the reinsertion of the native species of vegetation. This facilitates the regeneration of the whole ecosystem of insects, birds, reptiles and wildlife of the area and guarantees the nutritional and sensorial qualities of the product.

It is noted for its high content in polyphenols, which make organic olive oil high in antioxidants and anticancer properties and helps to maintain cardiovascular health, among other things.

AVAILABLE SIZES

- 500 ml opaque black glass bottle.
- 6 - 500 ml opaque black glass bottles per case.
- 1 - 500 ml opaque black glass bottle per wooden case.
