

COMPANY NAME	WEB	Products in English
1 AGQ TECHNOLOGICAL CORPORATE, S.L.	www.agqlabs.com	Specialized technology in crop nutritional monitoring and other agro analyzes
2 AGRI NOVA SCIENCE, S.A.	www.agri-nova.com	AGRI nova specializes in research, manufacturing and distribution of plant nutrition products.
3 AGRINATURE INDALICA, S.A.	www.agri-nature.com	Production of natural solutions for crop protection and plant nutrition, horticultural seeds and agricultural accessories.
4 AGROINDUSTRIAL KIMITEC, S.L.	www.kimitec.es	Manufacturer of Biopesticides, Probiotics, Biostimulants and Plant Nutrition products
5 AGROLABORATORIOS NUTRICIONALES, S.A.	www.agrolaboratorios.com	Manufacturers of Special fertilisers and botanic extracts
6 ALARCONTROL, S.L.	www.alarcontrol.com	Electrical installations and drip irrigation.
7 BIO CRISARA, S.L.	www.crisara.com	Company specialized in Ecological Agriculture, Technical advice and manufacturer of organic fertilizers and bioinsecticides
8 BIONUTRICION VEGETAL, S.A.	www.bionutricionvegetal.com	Research, manufacture, development and distribution of biological inputs with Zero Residues for use even in ecological production.
9 BIORIZON BIOTECH, S.L.	www.biorizon.es	Biorizon Biotech S.L. is a biotechnological company focused to the development of agricultural applications of algae, not only biofertilizers but also biostimulants and biopesticides.
10 CARRETIILLAS AMATE, S.L.	http://www.carretillassamate.com/	Manufacture of all types of machinery for working inside the greenhouse, we have more than 150 different models from manuals to fumigation vehicles.
11 CHEMICROP ESPAÑA, S.L.	www.chemicrop.com	Solutions to use in organic agriculture.
12 COMPAÑIA MAQUINARIA 93, S.A.	www.cm93.com	We are specialists in sales, after sales and agricultural equipment repair, as well as the construction and premium brands industry.
13 COTEXA ALCALAINA, S.A.	www.cotexaagro.com	Our company makes and commercializes all kinds of agricultural meshes and for the construction, as well as other industrial weaves.
14 CRIADO Y LOPEZ, S.L.	www.criadoylopez.com	Manufacture and distribution of agricultural textiles like nets, plastics, nonwoven and accessories for crop protection
15 DERETIL AGRONUTRITIONAL, S.L.U.	http://deretilagronutritional.com/	Deretil Agronutritional leads the Spanish Market of iron chelates with two high-capacity chelating agent plants where we produce the EDDHA, EDDHSA and EDTA agents which we use in our Iron Chelates. Deretil Agronutritional manufactures 3 additional product ranges, according to their properties (biostimulants, micronutrients and inductors of plant resistance).
16 DOMCA, S.A.	www.domca.com	Technology and Products for the Food Industry
17 ECOCULTURE BIOSCIENCES, S.L.	www.ecoculturebs.com	Manufacturing and commercialization of anti stress products for all range of crops
18 FERCAMPO, S.A.U.	www.fercampo.com	We are FERCAMPO Company from Group FERTIBERIA, the second largest Fertilizer Group in Europe. We are manufacturers and distributors of fertilizer: traditional solid, water soluble solids, liquids, special and ecological/organics products.
19 FICO GRUPO ISPEMAR, S.L.	www.ispemar.com	Coconut fiber substrate supply, nutritional manufacturers, technological innovations
20 FUNDACION PARA LAS TECNOLOGIAS AUXILIARES DE LA AGRICULTURA	www.fundaciontecnova.com	R&D, training, promotion and internationalization offering direct and quality services, adapted to the needs of the sector
21 GRUPO HISPATEC INFORMATICA EMPRESARIAL, S.A.U.	www.hispatec.com	Technology for the food and agriculture sector, management software, mobile applications, big data and machine learning.
22 HEROGRA ESPECIALES, S.L.	www.herograespeciales.com	HEROGRA ESPECIALES is leading company in the formulation and commercialization of specialty fertilizers: - Aminoacids - Humic Extracts - Specific Stimulants - Seaweed Extracts - Herofol Denso (gel product) - Deficiency Correctors - Certified Fertilizers for organic farming - Soluble solid fertilizers for foliar and irrigation. HEROGRA ESPECIALES belongs to HEROGRA group. With more than 100 years of experience in the agricultural sector, we were the first company in manufacturing flow gel fertilizers. At the moments we are selling our products in more than 45 countries all over the world and our goal is to continue our international expansion.
23 IDEAS Y DESARROLLO PARA LA MEJORA CONTINUA IDM, S.L.	www.idm-agrometal.com	Machinery manufacturer for soil and pipe rail greenhouses: vegetables and berries
24 INAGRO GESTION AGRICOLA, S.L.	https://inagroagricola.com/	Inagro has more than 15 years of experience in the distribution and production of biofertilizers.
25 INDUSER PONIENTE, S.L.	www.induser.es	Design and construction of packing machinery and complete packing lines
26 INFRARROJOS PARA EL CONFORT, S.A.	http://www.irconfort.com	IRCONFORT design, develops and builds high technology Far Infrared emitter systems (F.I.R.)

27	JFI MAQUINARIA Y MONTAJES, S.L.	www.indema.es	MANUFACTURE OF MACHINERY FOR THE TREATMENT OF FRUITS AND VEGETABLES. (RECEIPT, WASH, CALIBRATED AND PACKAGING)
28	MADERAS GONZALEZ Y MARTINEZ, S.L.	www.gym-sl.com	GyM, SL. Carry out since 1986 the plant equipment manufacturing, adapting its machinery in the most appropriate to each crop and area thanks to a research and development by the leading sector in terms of technology design and quality.
29	MAHER ELECTRONICA APLICADA, S.L.U.	www.maherelectronica.com	We have a career more than 15 dedicated years to the design and manufacture of electronic controllers applied to agriculture: Fertigation controllers, climated and fumigation controller, software developers for irrigation control through internet
30	MORERA & VALLEJO INDUSTRIAL, S.L.	http://www.morerayvallejoindustrial.es/html/	Industrial Plastic Company.
31	MOLDEADOS PLASTICOS ALBER, S.L.	www.alber.es	Manufacturing in plastic of industrial components and supplies for the horticulture, nurseries garden and cut flowers.
32	MSC FABRICAS AGRICOLAS, S.L.	www.grupomsc.com	Manufacturer of plastic greenhouses with a extensive experience in the sector (more than 30 years). Counting with projects in more than 50 countries. Besides, MSC carries out "turnkey" projects in which integrate irrigation system, cooling system, fog system, heating system, shadow/thermal screens, fans, sorting machines, etc..
33	NATURPLAS PLASTICOS AGRICOLAS, S.L.	www.naturplas.com	Naturplas specialises in plastics and agriculture. We provide solutions and if those solutions are not in the market, we help customers develop them.
34	NEW GROWING SYSTEM, S.L.	www.ngsystem.com	Innovation and development of a pure recirculating hydroponic system for high performance agriculture
35	NOVASYS PHARMA, S.L.	www.novasyes.es	Development and manufacture of fertilizers and products for ecological pest control.
36	NOVEDADES AGRICOLAS, S.A.	http://www.novedades-agricolas.com	Company specialized in designing, manufacturing and installing of greenhouses, irrigation systems, climate control, thermal screens, reservoirs and in general Turnkey Projects for intensive agriculture.
37	PREFORMATI BOX, S.L.	www.poliex.es	Manufacture and distribution of seed trays, hydroponic containers and food containers
38	RITEC-HIDRO, S.L.	www.ritec.es	Irrigation and fertirrigation turnkey projects for all kind of crops.
39	SERAGRO INTEGRAL, S.L.	www.fertilizantesliquidos.es	Manufacturer of fertilizers, micronutrient correctors and biostimulants.
40	SERCOM AUTOMATION, S.L.	https://sercom.eu	We specialise in the automation of greenhouses, bulb sheds and refrigerated storage units.
41	SILOS CORDOBA, S.L.	www.siloscordoba.com	SSilos Córdoba is a leading manufacturer of steel silos for grain storage. In addition to a large selection of grain storage solutions, i.e. flat silos, hopper silos, truck load silos and farm silos; we also manufacture a full line of handling equipment, feed mills, livestock equipment, metal structures and cladding.
42	SISTEMAS HORTICOLAS ALMERIA, S.L.	www.sistemashorticalasalmeria.com	We sell materials for construction and maintenance of greenhouses. Ventilation systems, nets and films, wire, profiles, culture accessories and tools
43	SOTRAFA, S.A.	www.sotrafa.com	The Armando Alvarez Group is a world-leading plastic supplier for both the agricultural and industrial packaging markets.
44	TALLERES LOPEZ GARRIDO, S.A.	https://www.lopezgarrido.com/	Manufacture of agricultural machinery.
45	TECNOPONIENTE INVERNADEROS, S.L.	www.tecnoponiente.com	Tecnoponiente manufactures and constructs multitunnel greenhouses with turnkey projects that include structure, closings, climate control system, shade/thermic screens, heating system, irrigation, fog system, etc. As well as flat ("raspa y amagado") greenhouses and net houses.
46	TEXTIL DE LA RÁBITA, S.L.	http://rabitaagrotexil.com/	We are a well experienced company withover 30 years in the field of manufacturing agricultural nets and other technical fabrics.
47	VELLSAM MATERIAS BIOACTIVAS, S.L.	www.vellsam.com	Organic liquid fertilizers
