One platform. All training activities integrated.

✓ TRAIN

Easily create engaging courses suited to your training style, whether it's instructor-led, self-paced, blended, or micro learning.

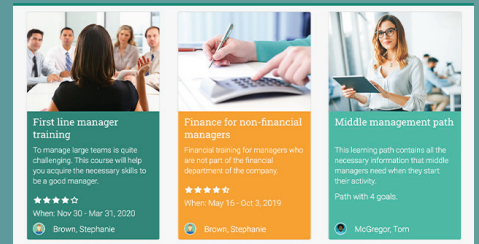

LEARN ✓

Our platform has an intuitive, graphical design that makes the learning experience enjoyable and productive.

✓ SELL

Sell courses using our e-commerce features. We support subscriptions, bundles, coupons, and we integrate with the most popular payment gateways.

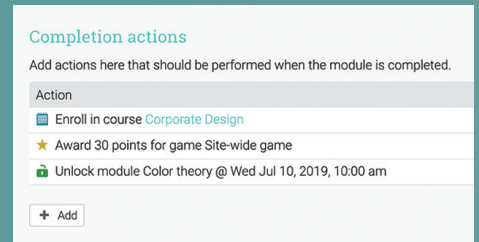

Course game		Advanced	
Levels		450 points until Expert	4 of 11
Name	Awarded	Leaderboard	
Beginner 100 points	Feb 18, 2016	560 4	
Intermediate 200 points	Feb 18, 2016	550 4	
Advanced 400 points	Oct 26, 2016	530 4	
Expert 1000 points	-	500 7	
Badges			
Description	Awarded		
Perfect Attendance For completing section history of Graphic Design.	Feb 18, 2016		
Best team member For completing assignment Design History.	Oct 11, 2016		

ENGAGE ✓

Make learning fun with games where learners can earn points and badges for completing tasks in training courses.

✓ AUTOMATE

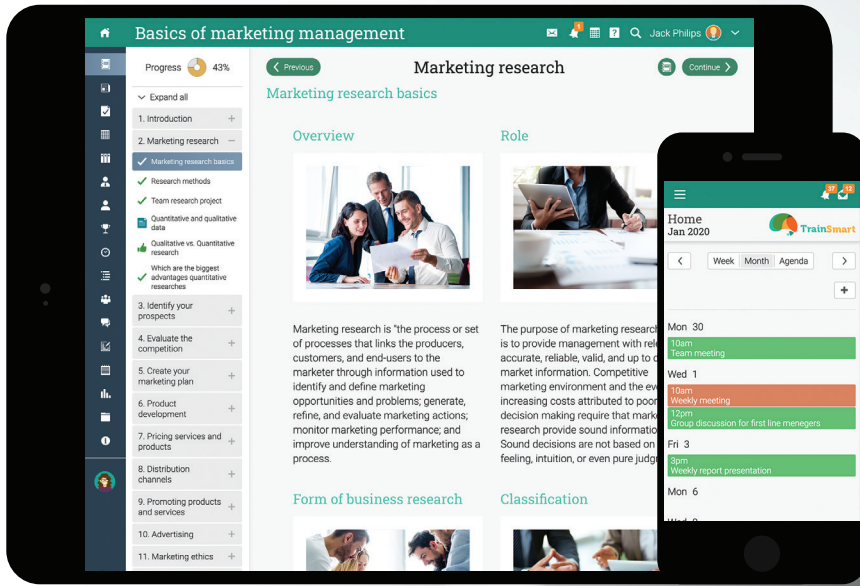

Set up rules that are triggered when learners enroll in paths, complete courses, or fall behind on their mastery levels.

ANALYZE ✓

Align course content with the competencies that it's training and assessing, then track learner progress based on mastery.

"We have used a myriad technology and LMS solutions over the years and MATRIX LMS is simply the most attractive, fully-featured, easy-to-use option available."

"MATRIX allowed us to minimize the internal time requirements for training, because we fill it with knowledge from many different subjects and everyone knows where to find it."
