Campomar Nature is a company specialized in natural food, with facilities in Seville and Alicante.

We mainly produce and sell table olives, extra virgin olive oil, wine, vinegar and almonds, as well as a wide variety of nuts, sweets and cookies, all from organic farming.

From its cultivation in the field to the final packaged product, the entire process is certified by the corresponding Control Bodies, which, in our case, are the Organic Agriculture Committees of Andalusia and Valencia.

Our values are based on respect for the environment, on organic products and on quality.

“DCOOP” is the Worldwide leading company on Mediterranean Almonds.

We are a Spanish Cooperative specialized in Mediterranean almond varieties such as:

- Soleta ~ The Mediterranean Pareil
- Lauranne ~ The Mediterranean Carmel
- Penta ~ The Mediterranean Butte/Padre
  - Belona ~ Marcona type
  - Guara ~ Tuono Type

We are growers with our own almond orchards located mainly in the South of Spain and Portugal with full traceability from the field to the customer.

Currently we roughly have 10.000 hectares of almonds with a potential volume crop in 2022 of about 8.500 mt (around 18,7 million pounds). In 4 years time (by 2026) we expect to increase our yearly production up to 20.000 Tons (45 million pounds of almond kernels = 20 mt).

We count with our own almond hulling & shelling facilities: 1 industrial site based in Spain and 1 industrial site located in Portugal with the ultimate cutting edge technology for optical sorting in order to achieve the more stern specification. We also have the capacity to storage 16 million pound of almond kernels in our reefer warehouses.

**FRANJUBA PAN** was founded in 1948 in Jerez de la Frontera (Cádiz, Spain). From its humble beginnings as a wheat mill, it developed into a family-run bakery which has been expanding its facilities and developing new products over the years under the direction of three generations.

Currently FRANJUBA PAN manufactures not only the traditional concept of bread, but also snacks as breadsticks (picos), crackers (regañas), flavored crackers, toast thins and protein bread in different formats (loafs, buns, hamburger buns, etc.) with our brand or also as a private label.

All these products are made from the best raw materials and are sold through distributors, supermarkets, and hypermarkets such as El Corte Inglés, Carrefour, Aldi and Supersol.

## COOPERATIVA OLIVARERA VIRGEN DE LA SIERRA DE CABRA S.C.A.

With more than 70 years of history, but with the same dream from day one, the cooperative continues to strive to maintain the good work of the liquid gold that irrigates its fields.

Grown with love and care, Baena Designation of Origin olives are harvested at the perfect ripening point and transformed into natural olive juice with the highest health and quality guarantees.

Every year, this work is recognised a little more with awards such as the PDO BAENA Gold medal, finalists in the Cordoba Provincial Council awards in 2021, gold medal in the Mezquita Awards 2020 and 2022 and entry into the "EVOOLEUM 2020 TOP 100 AWARD," which includes the 100 finest oils worldwide, as well as a number of other recognitions in China, Japan, Italy, Germany, EEUU, Holland, France, etc.

MONTEOLIVA continues with the tradition of making extra virgin olive oils from the finest olives produced by its farmers.
